

HOTELOST – press information

Not only does the name point to a crumbling villa in a mountain valley town in the Carpathians, but it also designates a band that rushes the adrenaline output of its guests.

Balkan melodies of the accordion are undermined by handmade drum'n'doublebass grooves. The violin's musette unravels to polka and sometimes samba-rhythms of the reception bell resonate together with klezmer tunes from the clarinet. Movie soundtrack theme songs are coloured by a pulsating style mix arrangement, 7/8 rhythms and tuba included. And above all this shines the star of the east, wherever that might be.

Heike Bachmann	Accordion
Ina Kleine-Wiskott	Violin and Reception bell
Andrea Emeritzky	Clarinet
Rüdiger Keller	Drums, Guitar
Richard Waltner	Double bass and tuba
